

AI at the service of your **medical practice.**

GPs and specialists, clinics, dental practices, pharmacies, labs, physiotherapists, radiologists: less time on paperwork, more time for your patients. Practical, confidential, tailor-made AI training.

On-site or remote
anywhere in Morocco

Privacy first
data never shared

1 to 4 days
intensive format

1-month support
after the training

THE PROGRAM — COMPOSABLE TO YOUR PRACTICE

5 modules. One goal: give you back medical time.

AI-assisted reports & letters

1 day

From dictation to a structured document: reports, referral letters, summaries — in minutes instead of hours. You review, validate, and sign.

Practice organization & appointments

½ day

Automatic reminders, WhatsApp confirmations, smart scheduling: fewer no-shows, a front desk that can breathe.

Medical research & watch

½ day

Literature syntheses, news from your specialty, sourced answers to a clinical question — without spending your evenings on it.

Administrative automation

1 day

Invoices, insurance files, follow-ups and tracking: concrete automations with n8n and Make, adapted to your practice.

Ethical medical marketing

1 day

An online presence compliant with medical ethics, prevention content, and a private chatbot for your patients' frequent questions.

WHY 212AY

A full ecosystem, not just a vendor.

- ✓ On-site at your practice or remote — anywhere in Morocco
- ✓ Attestations issued by the XAI × MDS × SMIA ecosystem
- ✓ 1-month support included — ethics respected, no patient data ever used

Bahae Eddine HALIM
